

May 4, 2020

Hello Modern Wave Community!

Thank you for all your support and love over the past few months. We deeply appreciate you being a part of our salon community.

As we prepare for the day we can safely reopen, we wanted to share some important updates with you. Rest assured, we are following local guidelines and taking extra precautions, including deep cleaning our salon prior to opening, and following enhanced sanitization measures and social distancing standards. Keeping everyone safe and healthy comes first. We will abide by any order or mandate set in place by the State of Illinois.

Once we can safely reopen, we will have new policies and procedures for guests as well as our team. Next week's email will go further into detail as to what to expect at your next appointment, what services we will and will not be offering in our first phase of opening, and new guidelines our team and guests will have to follow. As soon as we have an opening date, we will begin scheduling appointments.

We appreciate your efforts in helping us slowly get back into what will now be our new normal at the salon. It may seem like a big ask, but the health and safety of our team and our clients are most important.

We are SO thankful to those of you that have stuck by us as we tread into uncharted waters. Your continued support will keep Modern Wave's business going strong after this pandemic is over. For that, we cannot thank you enough.

We can't wait to get back to making everyone beautiful!

Brett and Dana Turskey and the entire Modern Wave team

P.S. As Mother's Day approaches this weekend, keep in mind Modern Wave has plenty of gift options to help Mom feel special and pampered. Gift Cards and products are available for curbside salon pickup or local delivery. Simply call 847-516-9283 or email your order to [modernwave@comcast.net](mailto:modernwave@comcast.net)
